KADUR DIVISION.

Dated 27th March 1930.

Notice is hereby given that sealed tenders will be received at the Office of the Executive Engineer, Kadur Division up to 10th April 1930, till 3 P.M., for constructing an arch across Byramphalla, Chikmagalur taluk. An approximate estimate of quantities is given below. These quantities are not guaranteed. The work should be completed by the end of June 1932.

2. The plan, detailed estimate and conditions may be seen at the Executive Engineer's Office at Chikmagalur between the hours of 11 A.M. and 3 P.M. on working days.

3. Tenders should be submitted on printed forms which may be obtained from the Executive Engineer. The tenders should be accompanied by a statement in the form given below, showing the rates at which the different items specified will be executed.

4. Each tender must be accompanied by a deposit of Rupees three hundred and sixty only in cash or Government Promissory Notes, or in Savings Bank pass book in name of party, and be superscribed "Tender for Constructing an arch across Byramphalla Chikmagalur taluk" in default of which tenders will be rejected.

5. The Government do not bind themselves to accept the lowest or any tender and reserve to themselves the right of accepting the whole or any portion of any tender or of rejecting any or all tenders without assigning any reason whatever for the rejection of any tender.

6. Within eight days of the acceptance of the tender, the successful competer will be required to execute the agreement contract bond in default of which, his tender will be considered withdrawn and his earnest money will be forfeited.

7. The name of the successful competer whose tender has been accepted will be posted on the Notice Board of the Executive Engineer's Office in due course. No enquiries regarding the acceptance or rejection of a tender will receive any reply.

8. In the case of one of the tenders the earnest money of rejected tenders will be returned.

9. Rates should be quoted for each and every item of work.

10. Conditional quotations either below the lowest tender or below the estimated rates will not be accepted.

11. In the matters of dispute regarding the quantity of work rates etc., the decision of the Chief Engineer is final and legally binding.

12. No claim for enhanced rates will be entertained after the acceptance of tender during the execution of the work.
